

Policy on Posting or Distribution of Information

The Library maintains bulletin boards, display spaces, and literature racks for the purpose of disseminating library, community, or public service information and materials of educational, intellectual or cultural interest.

Announcements of community interest from nonprofit organizations, schools and governmental agencies may be displayed on the bulletin board in the Library. The Director will approve materials to be displayed and maintained by Library staff. No materials, leaflets, or posters that proselytize or advocate the election of a candidate, political or otherwise, may be displayed on Library property. **The bulletin board may not be used for the benefit of private individuals or for commercial enterprises.** Authorized use of the Library bulletin board does not constitute an endorsement by the Library of an organization's policy, beliefs or practices.
